Subject: Application for the post of "Lecturer of CSE department"

Dear Sir,

I am pleased to find your job description for Lecturer position on your website in career section. I would like to introduce myself to you as I believe I have the skills, qualifications and experience necessary to make a significant contribution to your organization.

I have got BSc. Engineering Degree in Information and Communication Engineering (ICE) from Pabna University of Science and Technology with CGPA 3.80. My research interest area is Artificial Intelligence. My final year thesis was on design and implementation of Bangla voice typing keyboard to write in SutonnyMJ font without installing the Bijoy Keyboard Interface on the system.

I possess aggressive teaching skills. I have 50+ videos on Mukto Shikkhargon YouTube Channel where I cover the basic concept of Geometry and C programming. My verbal communication skills and positive attitude makes me an effective communicator. Given the opportunity, I would be able to become an excellent representative of your organization.

Please consider the enclosed resume to know more about my professionalism, background and skills. I look forward to have an opportunity of discussing my application with you further and how I can significantly contribute to the ongoing of your reputable organization.

Yours sincerely,

Md. Maruf Hossain
